Megas Yeeros LLC Participation in Hermes Expo International

Driven by its rapid expansion of portfolio product categories to US and North America markets, Megas Yeeros LLC participated at Hermes Expo (November 16th, 2022), held in “Grand Marquis”, Old Bridge, NJ.

Megas Yeeros LLC, presented its total product portfolio, enabling trade visitors to get to know the wide range of the company’s product categories, which combine excellent quality and impeccable taste.

Today, with two factories in Europe and America, dozens of partnerships in the distribution networks, passionate and specialized staff, Megas Yeeros is the largest producer of authentic yeeros and meat products in the world.

We never stop searching, evolving and trying new proposals that follow global nutrition needs. In this scope, we have proceeded with the launch of our 100% plant based food, “Mega Meatless “
